

## **WDSF WORLD DANCE SPORT GAMES 2013 INFORMATION**

To all WRRRC National federations and officials

Dear President, Dear Members, Dear couples, Dear officials

### **INTRODUCTION**

As you have already been informed, a special event will take place this year in September - the 1st WDSF World DanceSport Games.

The purpose of these games is to unite all DanceSport disciplines belonging to WDSF and its associated members on a special event periodically every 2-3 years. The Games shall promote DanceSport all around the World and show the diversity of different dance styles belonging to the same sport family.

The Games will go on from September 14 to September 21 in Kaohsiung, Chinese Taipei (e.g. Taiwan) in the beautiful Kaohsiung arena which has been the host of DanceSport events already in 2009 during the World Games.

WRRRC has a right to send 24 Rock'n'Roll and 18 Boogie Woogie couples to this event. The selection of couples has been done with an aim to guarantee the diversity of countries and continents as well as the quality of the couples.

The local organizer from Kaohsiung pays a part of travelling expenses (max 1000 US \$ per person, three overnight stays for all dancers and officials including full board and transportation between hotel and venue.

WDSF and WRRRC wish that as many dancers as possible shall be present at opening and closing ceremony, therefore the WRRRC Presidium has decided to pay two extra nights for all the dancers.

Attached you can find the detailed schedule for the whole week as well as day by day overview for each discipline. You will notice that there is a combination of classical qualification system and KO system as well some modifications regarding 1st round Boogie Woogie (also slow round will be performed).

Detailed and accurate information will be published on WRRRC home page in special section called World DanceSport Games. At the moment the most important thing is

that we receive a confirmation of participants as soon as possible in order to start with logistic details or look for a replacement. We need your confirmation of the dancers latest on February 28th. It is very important that you notify us at once if any of the couples will not be able to attend the competition. Also in case of later cancellations for whatever reason please contact us to make sure we find an appropriate replacement couple.

### **COUPLES**

As mentioned there will be RR and BW couples on the event. They compete on separate days, but our wish is that all couples arrive and depart on the same date so they can participate at the opening and closing ceremony:

The list of the couples is listed later on in this document. Please check the couples from your country and send us a confirmation or cancellation. The couples have been nominated directly by their ranking positions so any changes of the couples must be first coordinated with the Presidium.

**ARRIVAL:** Sunday September 15, 2013 or Monday September 16, 2013 - in the morning, the opening ceremony will be at 17:30, so you should be registered and checked-in in the hotel latest by 15:00 or preferably earlier.

**DEPARTURE:** Saturday, September 21, 2013

### **OVERNIGHT STAYS**

5 – including full board and transportation to all locations (training hall, competition venue, Plaza, Love river)

Paid by organizer (3 nights) and WRRC (3 nights) – one double room for each couple, alterations are not possible.

**Any extra days shall be paid by each person alone. The cost for a double room is 70US\$, the cost is the same for a single room.**

**We must know the info about your arrival/departure as soon as possible.**

### **TRAVEL:**

Each dancer is responsible to organize his/her own travel to Kaohsiung. The organizer will reimburse the travel expenses to the maximum amount of **1000 US \$ per person** for couples travelling from Europe. **A valid airfare Invoice will be requested in order to claim the expenses. Please make sure that you request also the Invoice when purchasing the plane ticket – without the Invoice the costs will not be reimbursed.**

The costs over this amount shall be paid by dancers alone or their national federation.

The organizer proposes everyone to fly to Taipei and then take the speed train to Kaohsiung since the prices are lower and there will be a special train price about 30 € return ticket. There will also be a welcome desk in Taipei airport.

### **INSURANCE:**

Each person must have a health insurance which also covers sports accidents. The WRRRC or WDSF or local organizers are not responsible for any insurance claims.

### **SCHEDULE:**

For every discipline the time line is similar and marked in the attachment.

- DAY 1: Arrival day
- DAY 2: Training day
- DAY 3: Competition day
- DAY 4: Departure day

Please check out the attached schedule for details for RR and B

### **OTHER ACTIVITIES:**
